

# Dietary Information Restricted with SB115 & AB440

## ‘Making Nutrition a Crime in Wisconsin’

### ADA

(American Dietetic Association)

The bill removes food from the public domain and into the realm of licensure. Food must remain in the public domain.

**ADA sponsors: Coke, Pepsi and drug companies.**

**Legal comments at SB115 hearing:**

“Someone who is an alternative care provider cannot practice nutrition care services. They could use the term nutritionists by itself but could not practice dietetic nutrition care services.”

**Call your lawmakers and say NO to SB115 & AB440**

Legislative Hotline:

In Madison: 608- 266-9960 or

Toll-free: 800-362-9472

*Your local health food store and natural practitioner will not be allowed to discuss specific nutrition with YOU if this bill passes.*

**Protect natural health traditions, information, and practices for generations to come  
OR**

**Say bye bye to nutrient dense dietary advice**

And HELLO to the ADA (American Dietetic Association) processed foods protocols. This bill creates a nutrition and dietary monopoly for Registered Dietitians. They already have a monopoly in hospitals, schools and nursing homes.

**Exemptions:** Under the bill, the following persons do not need to obtain a license from the board: 1) a licensed or certified nurse, chiropractor, dentist, physician, physical therapist, podiatrist, athletic trainer, occupational therapist, optometrist, pharmacist, or acupuncturist lawfully practicing within the scope of that license or certificate; 2) a dietitian or nutritionist serving in the U.S. armed forces; 3) a retailer that furnishes oral or written general nutrition information about food and other goods; 4) a person who is not practicing dietetics and nutrition care services who provides general [legal counsel no definition of general] nutrition information about food and other goods;

Wisconsin Health Freedom Coalition  
a non profit organization lobbying for consumer choice in natural health services and dietary information .
