

Wisconsin State Representatives Contact List

This list is arranged alphabetically by legislators' last names. If you communicate by email, please include your name and city of residence. In addition, please include a mailing address if you are requesting information that will have to be mailed. You may also leave messages for any legislator with the Legislative Hotline. The Hotline operators will take messages only for the Senator or Representative for the district in which you live. If you do not know the name of your state Representative, they can locate that information. For larger cities such as Milwaukee, Madison, or Green Bay, which have multiple Representatives, it is helpful if you know the ward in which you reside.

The Hotline can be reached at:
